

Courses & Workshops 2017

atelier2 - Veules les Roses

Experimental Drawing 13 & 14 May

A two day workshop, which aims to encourage students to create spontaneous work through employing a wide range of practical and fun experimental exercises, including drawing with found materials

For both beginners and more experienced artists.

Price: 130€ for 2 days

Colour and Abstraction 23, 24 & 25 June

This 3-day course, following the success of previous years, gives artists of all levels the opportunity to explore new painting materials and methods, with an accent on colour to transform their painting practice. Paint behaving as paint, not being forced to look like something else, with colour its principal component.

Price: 200€ for the 3 days

Painting the Coast and Countryside

10, 11, 12, 13 July 7, 8, 9, 10 August

This popular 4-day mixed media course, gives students the opportunity to paint the dramatic coastline and countryside, for which the Pays de Caux is famous. A hands-on and informative course, based mainly in the outdoors to inspire students of all levels and experience.

Price: 270€ for the 4 days

Expressive Painting

24, 25, 26 & 27 July 21, 22, 23 & 24 August

A course to free up preconceptions of painting and drawing through experimentation towards creating large scale expressive work. We will study the local landscape and seascape; gathering information, drawings, photographs and landscape material for the basis of work in the studio. Students are encouraged to find their own language in paint.

Price: 270€ for the 4 days

The tuition groups will be small (6 people) with the opportunity for individual advice in an informal and relaxed atmosphere.
